- **Do not exceed 5 MPH with the blade or its brackets installed.**

## **MAINTENANCE**

- **Periodically check for wear and tightness of all bolts, nuts and fasteners. Replace or tighten as necessary.**

## **MODEL NUMBER 15-8610 BLADE MOUNT INSTALLATION INSTRUCTIONS**

The Cycle Country Blade Mount Kit 15-8620 is mounted on the bottom side of the ATV to the frame rails. The kit can be installed with or without the plastic skid plate installed. If the plastic skid plate is to remain, holes will need to be drilled for the hardware.

1. Align one of the large holes on the mount plate to the oil drain plug on the ATV. (The part is symmetrical side to side. The narrow end of the plate will face forward). This should provide a reference point of approximately where to drill holes on the plastic skid for the mounting hardware. Mark these locations but do not drill at this time.
2. Remove the plastic skid plate and insert the U-bolts onto the frame rails as shown in the image below. **DO NOT** allow any wiring, hoses or brake lines between the U-bolt and the frame rail.

3. Position the plastic skid plate into place and compare the U-bolts on the frame to the locations marked previously in step 1. (Installing the blade mount plate temporarily may help to keep the U-bolts in place). Move the holes if necessary and drill holes through the plastic skid plate.
4. Re-install the plastic skid plate and mount the blade mount plate to the frame.

## **ONE YEAR LIMITED WARRANTY**

For the period of one year from the purchase date Cycle Country Accessories Corporation will replace for the original purchaser, free of charge, any part or parts, when found, upon examination by Cycle Country Accessories Corporation, to be defective in material, workmanship, or both.

All transportation cost incurred by the purchaser in submitting the material to Cycle Country Accessories Corporation for replacement under this warranty must be borne by the purchaser. If Cycle Country Accessories Corporation determines that the product must be returned to the factory for credit please call 1-800-841-2222 for an RMA number and shipping instructions.

The warranty does not apply to parts that have been damaged by accident, alteration, abuse, improper lubrication, normal wear, or other causes beyond Cycle Country Accessories Corporation's control. Products such as engines, electric motors, and actuators may carry an original manufacturer's warranty. Please call Cycle Country Accessories Corporation for information.

Cycle Country Accessories Corporation has been a world-renowned manufacturer of quality ATV products since 1981 and we hope you will enjoy your new Cycle Country accessory.
